Greendale 4th Parade

2026 DUES are Due --- send in your membership application.

Many of us drove to the Greendale, 4th of July Parade. I would like to thank all of those who attended the Greendale 4th of July parade this year. It was a pleasure seeing everyone. There were eight vehicles who participated in the event from our club including one guest who brought his Model A. The event was well attended with spectators – many who were enjoying seeing our cars and listening to the sounds of our horns. There had been a threat of rain all week for the parade but it held out most of the day, although it got more humid and warmer as the morning progressed. The parade is always fun to host, as it is an opportunity for club members to get together, visit and get our cars out. Thank you again to all of those who attended the Greendale, 4th of July. It was fun to see everyone. Dave & Linda Huenink Go to Page 10 for pictures *The Editor would like to thank Dave Huenick for writing this article and Dave, Jeff Clark and Kevin Helinski for pictures.*
